

PERMISSION TO USE STUDENT WORK IN A PUBLICATION AND ON THE MINISTRY'S ONLINE RESOURCE CENTRE, TKI

The Te Kete Ipurangi Joint Venture has developed a website for the Ministry of Education to show some of the student artwork that has been displayed in the foyer of the Ministry's offices.

This document seeks permission to reproduce a student's work for this purpose.

The material will not enable users to identify the student who produced a particular artwork. Not every artwork for which permission is granted will be used. Artworks might not appear in exactly the form in which they are submitted.

The student retains copyright in the artwork(s) but no payment for the use of the material will be made.
