

Digistore – Incomplete registrations up until 1 July 2008

Some schools have completed the online registration but have not returned the Conditions of Use (CoU) form.

In order to process your school's registration we need the principal to sign and return this form. Once we have received this document the schools registration will be approved & the principal will be emailed a password for Digistore.

Please contact digistore@tki.org.nz, if you have any questions about this process.
